Remarks/Arguments

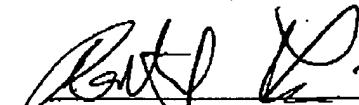

Claims 1-18 are pending in this application. Applicants appreciate the Examiner's indication of allowable subject matter in all 18 claims. No claim amendments are presented herein. However, a listing of the pending claims in this application accompanying this response for the Examiner's convenience.

The Examiner notes that the current specification, as filed, does not contain headlines separating the different sections and applicants did not submit a clean and mark-up copy of the specification in the response filed June 18, 2008. Accompanying this response, Applicants submit clean and marked-up versions of a substitute specification in compliance with 37 C.F.R. §§1.125(b) and (c) that includes section headings prescribed by 37 C.F.R. §1.77(b). No new matter is believed to be included in this substitute specification. Please replace the current specification with the accompanying substitute specification.

In light of the submission of the substitute specification, applicants believe that the objection to the specification has been overcome. If, however, the Examiner has further questions, the Examiner is invited to contact the Applicants' attorney at (609) 734-6813, so that a mutually convenient date and time for a telephonic interview may be scheduled. No fee is believed due. However, if a fee is due, please charge the fee to Deposit Account 07-0832.

Respectfully submitted,

Marco Winter, et al.
